Job Title: Clinician - Volleyball Instructor

Status: Part-Time/Seasonal; Fall Season: September-November (eight-week period); Spring Season: March-June (eight week period).

Summary: USYVL is looking for Clinicians (Volleyball Instructors) for multiple league locations for our fall and spring seasons. The Clinician (Volleyball Instructor) position is responsible for instructing and overseeing the league volunteer coaches and assistant coaches in the team instruction of the fundamentals of volleyball.

Essential Duties and Responsibilities include, but are not limited to the following:

- Organize, instruct and supervise the volunteer coaches
- Direct volunteer coaches how to perform volleyball drills
- Demonstrate proper volleyball fundamentals
- Run home game days and inter site game days
- Communicate with the USYVL National Office
- Attend a 4 hour training meeting
- Run a 2 hour coaching clinic

Qualifications:

- Must have experience playing volleyball and/or coaching volleyball at the high school, club, college or higher level
- Be able to give clear and precise directions
- Be dependable

Supervision Protocols

While performing as the Clinician (Volleyball Instructor), the individual is:

- Subject to the bylaws, rules, regulations, policies, procedures, and guidelines of USYVL
- Under the overall authority of and directly supervised by USYVL
- For the protection of both the children and the volunteer, no child can be left with less than two adults at any given time, meaning a child is never permitted to be in the company of a single – one -- adult during USYVL-sponsored activities.

Time Commitment

The anticipated time commitment for a Clinician is the full eight-week season, plus the parent meeting and coaching clinic. The estimated hours to fulfill the duties shall be 4 hours per week.
